Lower Osage Creek Management Boundary Possible Sources of Contamination

Funding for this project is provided by the Upper White River Basin Foundation

Completed as a joint effort by the Arkansas Water Resource Center and Ozarks Environmental and Water Resources Institute, August 2006

Principle Investigators: Ralph K. Davis and Bob Pavlovsky

Research Assistants: Ty C. Johnson and Gopala Borchelt

Cartographer: Ty C. Johnson

Source of Data: PSOC data are provided by Arkansas Source Water Protection Program. They have been updated by drive out and located with GPS. Road data are Tiger 2002 data from Center for Advanced Spatial Technologies (CAST) and Missouri Spatial Data Information Services. Watershed boundaries are modified from the original HUC data from CAST. Water data are from the National Hydrologic Dataset.
